The six (6) Sections below list the factors by which applicants are evaluated. They are listed in order of importance. An applicant does not need to have preference in every category to earn a scholarship. It is not expected that an applicant will have preference on all factors.

SECTION 1 - CAREER PATH

A very strong preference is given to students who are pursuing careers in our industry. The MCASC scholarships are intended for students who intend to or are pursuing a course of study at an institute of higher learning that is designed to give them the skills to be a journeyman, apprentice, engineer, project manager, draftsman, or estimator in the electrical, HVAC, or plumbing trades. Please attach a one (1)

page essay outlining your past education and future education plans, discussing how that education will lead to an applicable career in the electrical, HVAC or plumbing trades. **Failure to provide an essay will invalidate your application.**

SECTION 2 - GPA / CLASS RANK

A strong preference is given to students with higher GPA's. Please list each school you have attended beginning with your high school and including any colleges, universities, or trade schools attended. If you have not yet begun your post-high school education, please provide your complete high school transcripts. If you have begun your post-high school education, provide transcripts for all of your post-high school education. High school transcripts for students who have one full year of post-high school transcripts are optional. **Failure to provide the requested transcripts will invalidate your application.**

SECTION 3 - SCHOOL EXPECTED TO ATTEND

Preference is given to students who will attend South Carolina schools. What Technical Colleges, Trade Schools, Colleges, or Universities are you considering attending? For each institution listed, indicate whether you (1) have applied to attend,

(2) been accepted to attend, or (3) in which you are currently enrolled. Also, please indicate which one (1) of the listed schools you expect to attend next year.

SECTION 4 - MCASC MEMBER AFFILIATION

Preference is given to employees of contractor and supplier members of MCASC and their relatives. If you are an employee of a MCASC contractor or supplier member, or a relative of an employee of a MCASC contractor or supplier member, please list those affiliations or relationships below. You may list more than one.

SECTION 5 - INDUSTRY WORK EXPERIENCE

Preference is given to students who have work experience in the electrical, HVAC or plumbing contracting fields. Please list any work experience you have in these fields. The work experience should be a position that exposes you to the skills required to be a journeyman, apprentice, engineer, project manager, draftsman, or estimator in the electrical, HVAC, or plumbing trades. Please provide a letter from each company listed documenting the work history listed. **Failure to provide a letter of documentation may cause you to lose preference for prior work experience.**
